At no cost, MealpayPlus allows any family to:

- Create a free, secured account to **manage all of your student's accounts**
- **Check your student's current account balance**
- **Monitor** the items your student has been purchasing in the cafeteria
- Create settings to **receive email notifications** when the account reaches a low balance

For a small program fee, MealpayPlus allows any family to:

- **Make a prepayment** into your student's meal account using a check, credit card, or debit card at www.mealpayplus.com or by calling **800-376-1192**. Funds deposited through MealpayPlus are usually available for student use within a matter of minutes
- Create settings to **automatically replenish** your student's account when it reaches a low balance

For the 2011-2012 school year, we strongly encourage all parents (even if you do not pre-pay for your student's meal account) to create an account at no cost through www.mealpayplus.com. To create a new account, follow the onscreen directions and register your student using their Student ID number. Your student's ID number is listed on their class schedule, which will be available during the Ice Cream Social.

For those who do wish to pre-pay into their student's meal account, MealpayPlus offers several convenient ways to do so by visiting www.mealpayplus.com or calling **800-376-1192** from anywhere, at anytime.
