

The logo for Pathways Camp features a stylized illustration of three mountains in shades of brown and tan, set against a light blue sky with white clouds. The word "Pathways" is written in a large, dark blue, cursive script font, with the word "CAMP" in a smaller, grey, sans-serif font below it.

A Career Exploration Camp for Students in Grades 6-8

Students can explore careers this summer by personalizing their experience during Tolles' Pathways Camp. Nearly 20 career exploration workshops are available in the areas of Engineering & Robotics, Computers, Cosmetology, Healthcare & Athletics, Nature & Natural Resources, Automotive, Equine Science, Art & Fashion, and Culinary Arts.

Camp Information

- Session space is limited. Registration is first come, first serve. Sessions must have minimum of 5 students.
- Sessions are offered either once half-day, twice half day or on one full-day. Campers can choose their schedule.
- Each camp session is \$20.
- All camps are taught by Tolles career-tech instructors.
- All campers receive a Pathways t-shirt.
- Students may choose morning and/or afternoon sessions. If planning a morning and afternoon session on the same day, campers should bring a sack lunch

Registration

Our camps are open to students in our seven associate school districts. **Deadline is May 18, 2018**

Registration and Secure Payment can be completed online **only** at

TollesTech.com
