School Vision Screening/Monitoring Waiver

School Year: 20__ - __

Child's Name: _____

Program _____

Associate School: _____

I _____, the parent/legal guardian of

_____, request that he/she be exempt from the state mandated annual school vision screening/monitoring for the current school year. I understand that **this waiver to exclude my child needs to be renewed each school year** or my child's vision may be screened/monitored as mandated by the Ohio Department of Health guidelines for school vision screenings. I understand by choosing to exempt my child from the district vision screening/monitoring, I cannot hold the district liable in any way for any undetected changes in vision/vision health or for any related services/accommodations that he/she may not receive due to any unidentified changes in vision/vision health. I further understand that should I wish to revoke this waiver during the present school year, it is my responsibility to provide a written and signed note to the school nurse at least two weeks prior to the school's scheduled vision screening/monitoring.
